"Telling Our Stories" is a project of the Vermont College of Fine Arts Young Writers Network and the Arts Alliance of Northern New Hampshire that is bringing author-led writing workshops to six schools in SAU 58 and SAU 7, as well as a series of educator workshops, public readings, and community activities to local communities. The program is supported in part by the New England States Touring Program of the New England Foundation for the Arts, made possible with funding from the National Endowment for the Arts Regional Touring Program and the six New England state arts agencies, including the New Hampshire State Council on the Arts.
